EDCT 6604	Administration and Leadership in CTE	3 hrs.	Fall 2017	N/A	✓	✓
					✓	✓

Registration (Please Read Carefully)

- Students must apply for admission to Virginia Tech in order to enroll in the courses listed above. Please go to the Virginia Tech website and complete and submit the Graduate School application. Go to: <http://graduateschool.vt.edu/>
- There are two categories for graduate school admission. They are the "Degree Seeking Status" and the "Commonwealth Campus Status." The "Degree Seeking Status" is for regular admission into the CTE program in order to work on a master's degree in CTE. The "Commonwealth Campus Status" is for admission into the CTE program in order to take the courses to satisfy the VDOE requirements only. Individuals admitted as a commonwealth campus student are not working toward a CTE master's degree at Virginia Tech. However, if an individual decides to work on the CTE master's degree after taking the courses as a commonwealth campus student, he/she can apply for admission as a degree seeking student and still count the courses toward a master's degree. Being admitted as a commonwealth campus student will allow you to take up to 12 hours of graduate credit at Virginia Tech.
- **Application Deadline Dates Degree Seeking & Commonwealth Campus:** Summer I 2017 – May 1, 2017; Summer II 2017 – June 1, 2017; Fall – August 1.
- **Note:** If you miss a deadline, you can still apply by using the *Expedited Admissions Application*.
- All courses will count toward the master's program in CTE at Virginia Tech.

Be sure to subtract the 25% VA Educator's discount from the tuition rate posted on the VT website! Simply copy URL and paste it in the online address box to retrieve form.

Tuition and Fees

- **For tuition and fees go to:** <http://www.bursar.vt.edu/tuition/2012-2013.php#graduate> (Scroll down to *Extended or Virtual Campus Graduate* category. Subtract a 25% discount from the tuition rate if you are currently teaching in a public school in Virginia)
