For Immediate Release

Date: June 7, 2016
To: All Local Media Outlets
From: Gloucester County School Board
Subject: G.G. vs. Gloucester County School Board

The Gloucester County School Board's solution of providing three single stall unisex restrooms that anyone could use was a practical, nondiscriminatory answer that met everyone's interests and properly balanced the needs of transgender students with other students' right to bodily privacy. As such, the School Board intends to file a petition with the Supreme Court for a writ of certiorari.
