RE: **School Board Extended Deadline for Application Submission for the York District Seat**

The Gloucester County School Board will accept letters of interest from qualified candidates, who must be registered voters of the York District, for the School Board seat that will be vacant with the upcoming departure of Mrs. Carla Hook, effective June 15, 2017.

The deadline to submit letters has been extended. Letters should now be submitted to Ms. Carol B. Dehoux, Clerk of the Gloucester County School Board, 6099 T.C. Walker Road, Gloucester, VA 23061, by **Wednesday, May 31, 2017**; and should include a statement of qualifications and letters of support from registered voters of the York District.

Applicants will be given the opportunity to address the School Board at the Tuesday, June 13, 2017, monthly meeting. Applicants will limit their remarks to 10 minutes or less, and may introduce up to two (2) supporters from the York District, who will be permitted to speak on their behalf for 5 minutes or less.

The School Board will hold a closed meeting at 5:30 pm on Thursday, June 22, 2017, in Conference Room A135 of the Administrative Offices, in order to conduct interviews with the candidates. The School Board anticipates that the appointment of a School Board member representing the York District will be made in open session on June 22, 2017 at its work session, following the closed meeting. The appointment will be for a term beginning July 5, 2017, and ending December 31, 2017.

A general election will be held for the York District School Board Seat in November, 2017.
