UNITED WAY and EDUCATIONAL FOUNDATION

ANNUAL GIVING / PLEDGE CAMPAIGNS

**100% OF YOUR GIVING/PLEDGE NOW GOES
DIRECTLY TO YOUR CHARITABLE CAUSES!**

October 19, 2017

Dear Staff:

Once again, Gloucester County Public Schools is collaborating with the **United Way** to support local programs and services that are important to our communities. **The 2017 United Way Campaign** will begin **October 19** and end on **November 10**. Since 1999, employees of Gloucester County Public Schools have contributed over **\$218,000** to various local, national and international charitable organizations via the **United Way**—including over **\$49,000** for the **Gloucester County Public Schools Educational Foundation, Inc.**

I am very pleased to announce that **the United Way of the Virginia Peninsula now guarantees 100% of the amount that you give and/or pledge, goes directly to the charitable causes you select.** The United Way Board of Directors met and agreed to fund all of the salary and benefit packages of the United Way staff through the corporations they represent.

I am thankful to work with such loyal and dedicated employees, who day in and day out champion the causes of students by providing them with an instructional environment that is safe, nurturing, and encouraging. I am also impressed by the generosity of our school employees in the giving of money, time, and energy to help the **Gloucester, Mathews, and Middlesex** county communities through **United Way** and/or the **Gloucester County Public Schools Educational Foundation, Inc.**—your compassion for students and their families exemplifies how much you truly care for children and families.

The **United Way** provides a convenient opportunity to support local, state, and national programs and educational services. Your **tax-deductible** financial donations can be made through (a) **a one-time gift** (e.g., check or money order), (b) **payroll deduction** (for as little as \$2.00 per month and not beginning until **January 2018**), (c) **credit card** (MasterCard, Visa, or American Express), or (d) **direct quarterly billing**.

Please take a moment to review the attached materials and giving/pledge forms that accompany this cover letter. Other pertinent information can be found on the GCPS main web page. I hope you will be able to consider supporting either the **United Way**, or the **Gloucester County Public Schools Educational Foundation**—or both.

Lastly, thank you for all you do each day—I sincerely appreciate it very much.

Sincerely,

Walter R. Clemons
